Judge McDonough

I have been paying restitution as well as IFRP from 2018 when I was serving at Lexington FMC. I am now on supervised release and working and paying court ordered restitution. My co-defendant, James Brennan is also paying restitution. In the overall scheme of things the money we have paid, so far, may not be a large sum, however it is significant to what we are presently earning in our jobs.

My concern is that none of our victims have received ANY of this money ? Im not sure where it has gone, we make our checks payable to US District Court. Im just curious as to why none of the victims have received any of this money. I really hope this money can go to our victims as soon as possible.

Thank you
